<b>Summary</b> .....	1
<b>Introduction</b> .....	7
Scope of this Document .....	8
Protecting and Restoring Puget Sound .....	9
<b>Physical Environment</b> .....	11
Summary .....	11
Findings .....	13
<i>The Pacific Ocean and Weather Conditions; Rivers and Input to Puget Sound; Puget Sound's Marine Waters; Puget Sound's Shoreline</i>	
Acting on the Findings .....	27
<b>Pathogens and Nutrients</b> .....	29
Summary .....	29
Pathogen Findings .....	32
<i>Rivers and Streams; Department of Ecology Monitoring of Open Marine Waters; Fecal Contamination at Offshore and Nearshore Areas of King County; Fecal Contamination in Commercial Growing Waters</i>	
Nutrient Findings .....	41
<i>Rivers and Streams; Marine Waters</i>	
Acting on the Findings .....	46
<b>Toxic Contaminants</b> .....	47
Summary .....	47
Findings .....	48
<i>Toxic Contaminants in Water; Sediment Contamination; Toxic Contaminants in Shellfish; Toxic Contaminants in Fish; Toxic Contaminants in Birds and Mammals</i>	
Acting on the Findings .....	67
<b>Human Health</b> .....	69
Summary .....	69
Findings .....	70
Acting on the Findings .....	76
<b>Biological Resources</b> .....	79
Summary .....	79
Findings .....	80
Acting on the Findings .....	105
<b>Conclusion</b> .....	107
<b>Color Section</b> .....	111
<b>Resources</b> .....	115
Literature Cited in the 2000 Puget Sound Update .....	115
PSAMP Reports .....	120
